BLOOMERS RETIRING LATER CAUSED BY:

Hyper Changing World

1. Rules of past have changed and rules of parents' generation no longer apply
2. People are living longer
3. National to Global economy

Life Fulfillment Issue

1. Work has become area of self esteem
2. Intertwined work and social life
3. Single people daily contacts—community

Financial Concerns

1. Uncertainty about future economy we can't control
 - Twitter news sets of spree on wall street
 - 2008 bonds create world-wide financial crisis
 - Global Community where Greece or Spain can affect a retirement portfolio
2. Unguaranteed social security future.
3. Rising medical care
 - Hip replacement can cost \$60,000 and co-pays can be huge even for people with health insurance
 - Rising health insurance costs.
4. Longer Life spans raises question of can my portfolio support me through age 90 or even 100
