

Old rules are crumbling. The unexpected becomes the daily norm. This highly interactive session using exercises and tools is about choosing blind curves to widen your horizons, opening doors labeled "not me," traveling the non-traditional routes to discoveries, and creating your own footsteps for others to follow.

**Slide Through Change Fast:
Reinvention Toolkit that Puts You in the
Driver's Seat**

Old rules are crumbling. The unexpected becomes the daily new norm. With change happening at breakneck speed, you can't afford to be a bystander and catch up later. This highly interactive session using exercises and tools is about choosing blind curves to widen your horizons, opening doors formerly labeled "not me," traveling the non-traditional routes to discoveries and creating your own footprints for others to follow. Walk away with your broken-in Reinvention Tool Kit to aid you in your continued discoveries and your immediate next-step action plan.
