Dear Linda,

On behalf of The Mid-Atlantic Women's Motorcycle Rally Executive Board, we would like to take this opportunity to say thank you from the bottom of our hearts.

Simply saying thank you doesn't sound like much, but please know that we really appreciate you're stepping in at the last minute and giving such a meaningful presentation. We know the rally participants appreciated your session from their favorable comments on the survey.

Thanks again for your generosity and message.

Dawn Huber, President  
On Behalf of the MAWMR E-Board
